Part XV:

Question 2c:

Any submission deadlines

Applications for regular grants must be submitted electronically, using the online application system, by midnight July 15. All regular grant applications are held until after the July 15 deadline, so there is no advantage to applying early.

Question 2d:

Any restrictions or limitations on awards, such as by geographical areas, charitable fields, kinds of institutions, or other factors.

Organizations eligible to receive grants from the *Blue & You Foundation*.

- Must be an Arkansas-based organization or governmental agency (or if the applying organization is located outside of Arkansas, the project to be funded must specifically benefit Arkansans)
- Any 501(c)(3) public charity, public school, governmental agency or nonprofit hospital in Arkansas is eligible to apply. Churches are eligible, but their health improvement program must reach beyond its own congregation. Grants are not made to individuals.
- Cannot be a private foundation under IRC § 509(a)
- Primary grantee cannot have a contractual relationship with Arkansas Blue Cross and Blue Shield, its subsidiaries or affiliates.

A "contractual relationship" is defined as an arrangement whereby an organization has a contract to provide a service or product to the corporate entities of Arkansas Blue Cross, its subsidiaries or affiliates (in the nature of a "vendor" relationship). Such a relationship would make the organization ineligible for a foundation grant.

Organizations whose sole relationship is that of purchasing health insurance for its employees from Arkansas Blue Cross, its subsidiaries or affiliates (in the nature of a "customer" relationship), and do not provide a service or product to these corporate entities, are not considered to have a "contractual relationship" within this definition, and therefore are eligible for grants, if other eligibility criteria are met.

Also, an organization that has a contractual relationship to provide a service or product to individuals or groups that have health insurance through Arkansas Blue Cross, its subsidiaries or affiliates (in the nature of a "provider" relationship), are eligible to receive grants, if other eligibility criteria are met. For example, participating providers (physicians or hospitals) are not considered ineligible simply because they provide a service to individuals insured through Arkansas Blue Cross, its subsidiaries or affiliates.

An exception to the "provider" guideline above involves those several hospitals which have a joint venture contractual relationship with Arkansas Blue Cross, its subsidiaries or affiliates. A grant application from a joint venture hospital would be ineligible. However, a qualifying Foundation of such a joint venture hospital could be eligible to apply for a grant, if other eligibility criteria are met.

In summary, "vendors" are ineligible but "customers" and "providers" as defined above are generally eligible for grants, if other eligibility criteria are met.

- Grants will not be made to individuals, fundraising events or celebrations, political or lobbying organizations, fraternal, athletic or social organizations, organizations that do not directly serve Arkansas, religious organizations for religious purposes, capital or endowment of organizations, proposals that are principally for construction of facilities or purchase of large equipment, or for attendance at conferences.
- In making grants, please note that the Foundation disfavors funding of "indirect costs." Therefore, when applying, please omit "indirect costs" from your request and budget.
- Because of the availability of funding in Arkansas from the Tobacco Settlement, the Foundation will not fund proposals that are principally tobacco-related.
- Any organization that has received Foundation "regular grant" funding for a specific program for a total of two years is not eligible to reapply for subsequent "regular grant" funding for the same program.
